WILD DUNES RESORT

Wild Dunes is an oceanside, gated community located on the barrier island, the Isle of Palms. Just minutes away from historic Charleston, SC (consistently listed as a top city per Conde Nast Traveler), it offers the best of both worlds with its beachside accommodations & quick access to historic downtown Charleston. All event spaces are within a 1-4-minute walking distance to accommodations, onsite restaurants, and the ocean. Amenities include 2 golf courses, the Spa at Sweetgrass, 17 tennis courts, 6 pools, and various dining outlets.

- Sweetgrass Inn Guestroom (no kitchen) – \$399
- Residences at Sweetgrass One Bedroom Suite – \$599
- Residences at Sweetgrass Two Bedroom Suite – \$699

Room rates quoted above are subject to tax, which is currently 14% sales and accommodations tax and 16% Resort Services Fee. A Charleston County destination fee of two dollars and a beach re-nourishment fee of two dollars per occupied room night will be applied to each guest folio. Taxes are subject to change without notice.

This program is designed to provide a comprehensive review and update of both established breast imaging modalities along with advances in state-of-the-art techniques. A complete discussion — with emphasis on practical advice — of analog and digital mammography, breast ultrasound and interventional techniques will provide a strong foundation to advance to newer technologies. Identifying the role and interpretation of breast MRI will be given special attention.

EDUCATIONAL GOALS

After attending the course, participants should be able to:

- Discuss the newest techniques being utilized to diagnose and treat diseases of the breast.
- Recognize the newest techniques being implemented in breast imaging.
- Meet their yearly requirements for accreditation.

JOINT ACCREDITATION: In support of improving patient care, the Duke University Health System Department of Clinical Education & Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.
