

Duke Radiology in the Islands 2026

January 18–21, 2026 • The Ritz-Carlton, Turks & Caicos

DukeHealth

The Ritz-Carlton, Turks & Caicos is a seaside hotel set along one of the Turks & Caicos' best beaches. Escape to powdery white-sand beaches lapped by gentle turquoise waves, cuisine inspired by local ingredients and global flavors, and spa rituals that reflect the genuine warmth of Turks & Caicos, where natural beauty and luxury resort amenities reflect one of the world's most desirable beach destinations.

Rooms are being held at the Ritz-Carlton, Turks & Caicos for this meeting from **Friday, January 16** through **Thursday, January 22** until the cutoff date of **Wednesday, December 18, 2025**, or until the block is full. This group rate will be offered up to three days pre and three days post-event dates, based upon availability in the room category requested. Group room rates are subject to applicable government taxes (currently 12%), service fees (currently 10%), and facility fees (currently 5%) in effect at the time of check-in and subject to government changes.

Run of Oceanview/Oceanfront \$809 single/double

RESERVATIONS

To make reservations for The Ritz-Carlton, Turks & Caicos, please call the hotel directly at **+1 649.339.2222** or Marriott Reservations at **1.800.933-3859** and identify yourself as a Duke Radiology attendee. If you are interested in an upgraded or different room type other than what is blocked, please contact Jihan Shogen at Premier Meeting Services (jihan@premiermeetingservices.com) or **727.259.9800** for assistance.

This course has been designed for the radiologist interested in gaining a greater knowledge of advances in Diagnostic Radiology. Experts from multiple subspecialties will update the participants on the latest approach to diagnosing and treating various disease processes.

LEARNING OBJECTIVES:

At the conclusion of this activity, participants should be able to:

- Discuss the newest imaging techniques and modalities being used to diagnose various abnormalities.
- Describe techniques and procedures currently being used to diagnose and treat various abnormalities.

DISCLOSURE:

It is the policy of the Duke University Health System Clinical Education & Professional Development to require the disclosure of anyone who is in a position to control the content of an educational activity. All relevant financial relationships with any commercial interests and/or manufacturers must be disclosed to participants at the beginning of each activity.

JOINT ACCREDITATION: In support of improving patient care, the Duke University Health System Department of Clinical Education & Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.

CREDIT DESIGNATION: Duke University Health System Department of Clinical Education and Professional Development designates this live activity for a maximum of *20 AMA PRA Category 1 Credit(s)™*. Physicians should claim only credit commensurate with the extent of their participation in the activity.

RESOLUTION OF CONFLICTS OF INTEREST:

Duke University Health System Clinical Education & Professional Development has implemented a process to resolve any potential conflicts of interest for each continuing education activity in order to help ensure content objectivity, independence, fair balance, and the content that is aligned with the interest of the public.

DISCLAIMER: The information provided at this CME activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient's medical condition.

FACULTY

All faculty are members of the Department of Radiology, Duke University Medical Center, Durham, North Carolina.

Jared Christensen, MD MBA

Professor of Radiology, Cardiothoracic Imaging

Tracy Jaffe, MD

Professor of Radiology, Abdominal Imaging

Charles Kim, MD

Professor of Radiology, Interventional Radiology

Jeffrey Petrella, MD

Professor of Radiology, Neuroradiology

Sora Yoon, MD

Associate Professor of Radiology, Breast Imaging

Leah Waldman, MD

Assistant Professor of Radiology, Musculoskeletal Imaging

SUNDAY, JANUARY 18, 2026

- 7:30 am **MR Enterography** – *Tracy Jaffe*
- 8:15 am **Imaging the Patient with Epilepsy** – *Jeff Petrella*
- 9:00 am **Breast Emergencies** – *Sora Yoon*
- 9:45 am **Q&A**
- 9:55 am **Break**
- 10:05 am **Imaging of Rectal Cancer** – *Tracy Jaffe*
- 10:50 am **Palpable Breast Masses** – *Sora Yoon*
- 11:35 am **Functional MRI and Diffusion Tensor Imaging for Presurgical Planning** – *Jeff Petrella*
- 12:20 pm **Q&A**
- 12:45 pm **Adjourn**

MONDAY, JANUARY 19, 2026

- 7:30 am **Vascular Entrapment Syndromes** – *Charles Kim*
- 8:15 am **MRI of the Knee: The Posteromedial and Posterolateral Corners** – *Leah Waldman*
- 9:00 am **Pulmonary Manifestations of Systemic Diseases Part 1** – *Jared Christensen*
- 9:45 am **Q&A**
- 9:55 am **Break**
- 10:05 am **Pulmonary Manifestations of Systemic Diseases Part 2** – *Jared Christensen*
- 10:50 am **The Sacroiliac Joints: A Pain in the Butt** – *Leah Waldman*
- 11:35 am **Thermal Ablation and Post-Treatment Imaging** – *Charles Kim*
- 12:20 pm **Q&A**
- 12:45 pm **Adjourn**

**Duke Radiology
in the Islands 2026**

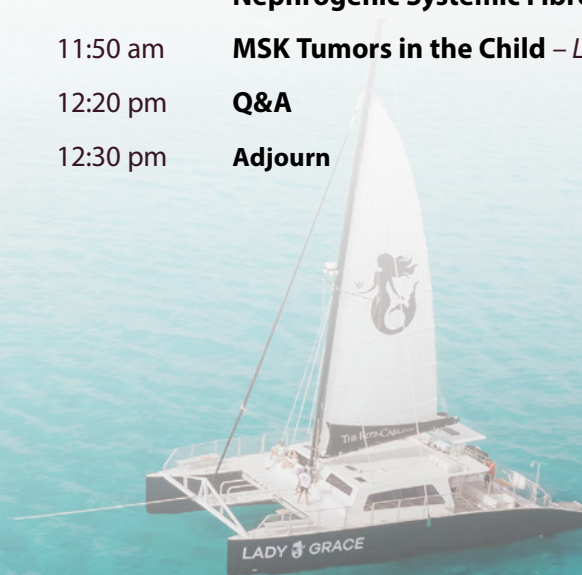

TUESDAY, JANUARY 20, 2026

7:30 am	Neuroimaging of Memory Impairment in an Era of New Alzheimer Therapeutics – <i>Jeff Petrella</i>
8:15 am	Management of Breast Pain – <i>Sora Yoon</i>
9:00 am	Imaging of Uterine and Cervical Malignancies – <i>Tracy Jaffe</i>
9:45 am	Q&A
9:55 am	Break
10:05 am	Management of Architectural Distortion – <i>Sora Yoon</i>
10:50 am	O-RADS – <i>Tracy Jaffe</i>
11:35 am	Interesting Cases in Neuroradiology – <i>Jeff Petrella</i>
12:20 pm	Q&A
12:45 pm	Adjourn

WEDNESDAY, JANUARY 21, 2026

7:30 am	Challenging Cases in Lung Cancer Screening – <i>Jared Christensen</i>
8:15 am	Muscle and Tendon Injuries of the Lower Extremity – <i>Leah Waldman</i>
8:45 am	Transarterial Hepatic Therapies and Post-Treatment Imaging – <i>Charles Kim</i>
9:30 am	Q&A
9:40 am	Break
9:50 am	Imaging Evaluation of Acute Chest Pain – <i>Jared Christensen</i>
10:35 am	MSK Tumors in the Adult – <i>Leah Waldman</i>
11:05 am	Updates on Contrast-Induced Nephropathy and Nephrogenic Systemic Fibrosis – <i>Charles Kim</i>
11:50 am	MSK Tumors in the Child – <i>Leah Waldman</i>
12:20 pm	Q&A
12:30 pm	Adjourn

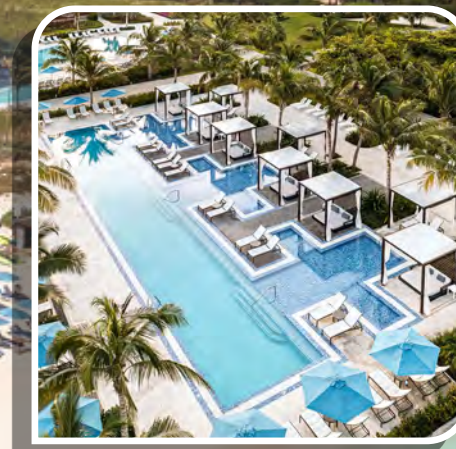

**Duke Radiology
in the Islands 2026**

COURSE REGISTRATION

Registration fee is \$1,295 on or before **December 18, 2025**. We offer discounted registration rates to Duke Radiology alumni of \$1,195 and Military/NonMD/Intraining/Retired of \$1,095. Beginning **December 19** there is a \$100 late fee in addition to the registration fee. The fee is payable by check made out to "Premier Meeting Services" or by Visa, MasterCard, American Express or Discover. There is a \$150 administrative fee for cancellation. Written notification must be received by **January 15, 2025** to receive refund.

Course material will be distributed electronically via our new CME app. A printed syllabus will not be available. A printer-friendly version will be made available to participants prior to the meeting for those who would like to print their own.
