Enteroclysis (Primary Small Bowel) 
Outpatient Procedure Prep

1. **Nothing by Mouth (NPO)** after midnight the night prior to exam.
2. **Patient** may take regularly prescribed medications with a small sip of water.
3. **LO SO PREP** to be used day prior to exam. Please have patient follow the prep kit instructions with the exception of the Dulcolax Suppository which is not needed for this procedure.

The **LO SO PREP** may be purchased at the Duke South Clinic Outpatient Pharmacy (919) 684-2908 or the Duke Children’s Health Center Retail Pharmacy (919) 668-4111.

**Note:** Components of this prep kit may also be purchased individually over the counter, instructions are as follows.

- 10 oz. Magnesium Citrate at 5pm
- 4 (5mg) Dulcolax tabs at 7pm
- 1 full 8 oz. glass of water at 7, 8, and 9pm
