A Comprehensive Review of Musculoskeletal MRI

November 6–9, 2016
Four Seasons Resort Lana’I • Manele Bay, Hawaii

17 SA-CME HOURS AVAILABLE
This course is an intensive review and update of musculoskeletal MR imaging techniques. The speakers will review the current “status of imaging specialized anatomic areas such as the knee, wrist, shoulder, spine, foot and ankle. Design and implements of musculoskeletal imaging protocols will be discussed. This will provide an excellent opportunity for the practicing radiologist to review the current imaging procedures as well as expose them to the newest procedures and modalities being used.

**TARGET AUDIENCES** – Radiologists performing musculoskeletal MRI

**LEARNING OBJECTIVES** – At the conclusion of this activity, participants should be able to:

- Discuss the current musculoskeletal MR imaging procedures.
- Design and implement appropriate musculoskeletal imaging protocols.
- Apply the current advances in musculoskeletal imaging to diagnosing disease processes in the elbow, knee, wrist, shoulder, spine, hip, foot and ankle.

We are pleased to offer 17 hours of Self-Assessment Modules (SAMs) which meet the ABR’s criteria for self-assessment activities in the ABR Maintenance of Certification Program.
DISCLOSURES – It is the policy of the Duke University Health System Clinical Education & Professional Development to require the disclosure of anyone who is in a position to control the content of an educational activity. All relevant financial relationships with any commercial interests and/or manufacturers must be disclosed to participants at the beginning of each activity.

RESOLUTION OF CONFLICTS OF INTEREST – Duke University Health System Clinical Education & Professional Development has implemented a process to resolve any potential conflicts of interest for each continuing education activity in order to help ensure content objectivity, independence, fair balance, and the content that is aligned with the interest of the public.

SPECIAL NEEDS STATEMENT – The Duke Department of Radiology is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call and/or submit a description of your needs in writing in order to receive service.

DISCLAIMER – The information provided at this educational activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient’s medical condition.

FACULTY

Clyde A. Helms, M.D.
Consulting Professor of Radiology
Department of Radiology
Duke University Medical Center

James B. Vogler, M.D.
Assistant Clinical Professor of Radiology,
University of Florida School of Medicine and
The Orthopedic Institution, Gainesville, Florida
Four Seasons Resort in Lanai, Hawaii
is just a few miles west of Maui. Lanai was once Hawaii’s largest pineapple plantation. Today this small, private island and its main town, Lanai City, have maintained the spirit of old Hawaii, attracting visitors from all over the world to a tranquil tropical destination that offers crystal-clear waters, pristine beaches and world-class golf. Four Seasons Resort Lanai at Manele Bay is among the best resorts in Hawaii and is located on a bluff overlooking the Pacific Ocean and Hulopo’e Bay, a marine sanctuary that’s a playground to spinner dolphins and humpback whales. Enhancing the grounds are five different themed gardens, featuring cascading waterfalls and serene koi ponds.

Group rates for this meeting: Rooms are being held for this meeting from Friday, November 4, 2016 through Wednesday, November 9, 2016 at the following rates: $495 Garden View or $575 Run of Ocean (single or double). Rates do not include current state tax which is currently 13.416%. Rates will be available 3 days prior and 3 days after the event dates subject to availability of guest rooms at the time of reservation. These rooms will be held until the block is full or until October 15, 2016. At the time of reservation, a two night deposit including 13.416% tax will be required. Any reservation cancelled within 30 days prior to arrival will forfeit the two night deposit. To make reservations call 1-800-321-4666 and reference Duke Radiology group. Taxes and fees are subject to change without notice.

To make airline reservations, reserve rental cars, or for any other travel needs, email or call Cheryl Everhart at Aladdin Travel, cheryl.everhart@aladdintravel.com or (336) 499-6736. Please note an additional fee will apply for these services.

LECTURE SCHEDULE

DAY 1
7:00 a.m.  Registration
7:30 a.m.  Continental Breakfast / Meet the Professor
8:00 a.m.  MRI of the Knee  
            Clyde A. Helms, M.D.
10:15 a.m. Coffee Break & Discussion
10:30 a.m. MRI of the Knee (Cont’d)  
            Clyde A. Helms, M.D.
11:30 a.m. MRI of the Hip  
            James Vogler, M.D.
12:30 p.m. Q & A
12:45 p.m. Adjourn

DAY 2
7:30 a.m.  Continental Breakfast / Meet the Professor
8:00 a.m.  MRI of the Shoulder  
            Clyde A. Helms, M.D.
10:15 a.m. Coffee Break & Discussion
10:30 a.m. MRI of the Shoulder (Cont’d)  
            Clyde A. Helms, M.D.
11:30 a.m. MRI of Wrist  
            James Vogler, M.D.
12:30 p.m. Q & A
12:45 p.m. Adjourn
LECTURE SCHEDULE

**DAY 3**

7:30 a.m.   Continental Breakfast / Meet the Professor
8:00 a.m.  MRI of the Foot & Ankle  
            *Clyde A. Helms, M.D.*
10:15 a.m.  Coffee Break & Discussion
10:30 a.m. MRI of the Foot & Ankle (Cont’d)  
            *Clyde A. Helms, M.D.*
11:30 a.m. MRI of the Elbow  
            *James Vogler, M.D.*
12:30 p.m. Q & A
12:45 p.m. Adjourn

**DAY 4**

7:30 a.m.   Continental Breakfast / Meet the Professor
8:00 a.m.  MRI of the Spine  
            *Clyde A. Helms, M.D.*
10:15 a.m.  Coffee Break & Discussion
10:30 a.m. MRI of the Spine (Cont’d)  
            *Clyde A. Helms, M.D.*
11:00 a.m. MRI of MSK Masses  
            *Clyde A. Helms, M.D.*
11:45 a.m. Marrow  
            *James Vogler, M.D.*
12:45 p.m. Adjourn
