No issues

- **Prospective Studies**

- B Patel, Pro00065192, External Evaluation of Revolution 1.5 CT System

Changes will be requested; committee voted unanimously to bring the protocol for discussion at the September meeting

- **Federal/Foundation Studies**

- W Segars, Pro00063360, Simulation Tools for 3D and 4D CT and Dosimetry: Tools for Virtual Clinical Trials NIH

No issues

- **Seed Fund Requests**

- None

- **Research marketplace**

- <http://sites.duke.edu/radiologycru/>

- Typos and corrections to website *Look for typos and errors on Radiology website Research tab (everyone)*
- **Quick updates**
 - Radiology billing effort – no update
- **Old Business**
 - CRC effort funding *Alternatives to shortage of CRCs addressed with Dr. Nelson in a meeting on August 24*
 - Handling residuals *Discussion of using funds for studies during the study rather than current use of after the study is over. Susan says she can change this.*
 - New leadership *Rendon Nelson and Joseph Lo appointed Vice-Chair of Research and Assc Vice-Chair of Research respectively*
- **New Business**
 - Training requirements for fellows *Reminder that some training requirements have changed*
 - Budget for purchase of secure thumb drives *Agreed by committee with emphasis that Duke data cannot leave Duke without an amendment to a protocol; will be presented to John Dion*
 - CRU score card *Displayed and discussed*
