Duke Radiology in the Blue Ridge Mountains 2018

October 20–23, 2018 • Grove Park Inn • Asheville, NC

Self-Assessment Modules which meet the criteria for the ABR Maintenance of Certification program will be offered.
The Grove Park Inn Resort & Spa in Asheville, North Carolina is one of the American South’s oldest and most famous grand resorts. Built in 1913 overlooking the Blue Ridge Mountains, the Inn is a favorite year-round destination. Its splendid views, old world charm, peerless amenities, long tradition of exceptional service and hospitality make it a place to savor as one of the most enduringly original and exciting resorts in America.

Amenities include golf, tennis, two pools, sports complex, 18-station Paramount fitness center, shops, fine dining and children’s programs and the finest spa in North America with over 40,000 square feet dedicated to your relaxation.

Guest rooms in the Historic Main Inn are newly refurbished and contain original solid oak furnishings. Guest rooms in the Sammons and Vanderbilt wings are more spacious than those in the historic Main Inn. Additional features include CD stereo players, refrigerators, microwaves, coffee makers, irons and ironing boards, in-room pay movies, cable television, voice mail, dataports, and windows that open for fresh mountain air. Both mountain view and property view rooms are available in both the contemporary wings and historic Main Inn. The mountain view rooms face the Blue Ridge and Smoky mountain ranges with the golf course below and the City of Asheville in between. The property view rooms overlook the Spa or the front courtyard.

HOTEL RESERVATIONS

Room Rates
Room rates are $369/night single or double occupancy for Run of House rooms, $389 for Resort View, and $409 for Mountain View. Current room tax is 11% (subject to change) and all rooms are subject to an additional $25 mandatory Resort Charge. This charge is per night per room and includes the following services: toll free and local calling, in-room high speed internet access, entrance to fitness center, in-room coffee and tea, and a newspaper available upon request. Children under 16 stay free in room with parent or adult. There is a $40 per person charge for third and fourth persons (over 18) sharing a room. Handicap accessible rooms are available. Check-in time is after 4:00 p.m. and check-out time is 11:00 a.m.

We suggest you make reservations early. This is one of the most popular times of year in the Asheville/Blue Ridge Mountain area as the brilliant color of the changing leaves brings visitors from all over.

A block of rooms has been reserved for the dates of this meeting. The rates will be available up to three days prior and three days after the meeting, subject to availability. These rooms will be held until the block is full or until the cut-off date of Tuesday, September 18, 2018.

To make reservations, call 1.800.438.5800 and reference Duke University Radiology.

To Grove Park Inn Resort & Spa
Asheville is located in the Western North Carolina mountains which is home to the highest mountains east of the Mississippi River. The Grove Park Inn is located just off I-140 (take I-240 into Asheville) and the Asheville Regional Airport (AVL) is nine miles southeast of Asheville (25 minutes from the Grove Park Inn).
This course has been designed for the radiologist performing a combination of cardiothoracic, musculoskeletal, abdominal, and neuroradiology imaging.

LEARNING OBJECTIVES: At the conclusion of this course the participant should be able to:
• Identify and discuss the latest modalities and techniques being used in the field of Diagnostic Radiology.
• Discuss differential diagnoses of common disease processes as they are seen on radiologic images.
• Demonstrate compliance with various governing agencies to sustain accreditation, licensing and board certification requirements.

RESOLUTION OF CONFLICTS OF INTEREST: Duke University Health System Clinical Education & Professional Development has implemented a process to resolve any potential conflicts of interest for each continuing education activity in order to help ensure content objectivity, independence, fair balance, and the content that is aligned with the interest of the public.

DISCLAIMER: The information provided at this CME activity is for continuing medical education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient’s medical condition.

SELF ASSESSMENT MODULES: We are very happy to be able to offer self-assessment modules which have been fully qualified by the American Board of Radiology. These modules meet the ABR’s criteria for a self-assessment activity in the ABR Maintenance of Certification program.
