Kingston Plantation
A Hilton and Embassy Suites Resort

Sponsored by the Duke University School of Medicine
Featuring Embassy Suites:

Wooded hills surround a twenty-acre freshwater lake and line the winding drive that leads to a half mile stretch of white sand beach. The twenty story, all-suite hotel provides a spectacular view of the ocean from each private balcony. Two and three bedroom luxury oceanfront condominiums or one, two and three bedroom villas set among the forest and lakes provide the ultimate in comfort and amenities during your stay.

Kingston Plantation features the Sport and Health Club which includes nine lighted tennis courts, three racquetball and squash courts, indoor/outdoor pools, whirlpool, weight training equipment, free weights, an aerobics studio, tanning salon, cafe, and lounge. The hotel also has a full-time Golf Director affiliated with over 100 area courses.

So bring your swimsuit, sunglasses, racket, and clubs – the Kingston Plantation welcomes you to an unforgettable vacation!

For details regarding accommodations and amenities of the resort, please visit:
www.kingstonplantation.com

The Kingston Plantation

The Grand Strand: The Myrtle Beach “Grand Strand” has been called the “Seaside Golf Capital of the World” with over 100 area golf courses.

Something for Everyone: The Myrtle Beach “Grand Strand” has activities for the entire family. Golf, fishing, scuba diving, parasailing, tennis, swimming, and biking are just some of the many activities available and within easy access during your visit. Whether relaxing at one of the areas premier spas, visiting local historical sites, shopping the outlets, or just soaking up the sun on our 60 miles of beautiful beaches, there is something for everyone at Myrtle Beach.

Lecture Schedule & Faculty

MONDAY 20

7:30 a.m.  Approach to Focal Liver Lesions
           Mustafa Bashir, M.D.

8:00 a.m.  Ultrasound of 1st Trimester & Ectopic Pregnancy
           Barbara Hertzberg, M.D.

8:30 a.m.  Abdominal Imaging Interesting Cases
           Chad Miller, M.D.

9:00 a.m.  Breast MRI Bi-Rads
           Sora Yoon, M.D.

9:30 a.m.  Imaging of the Male Breast
           Karen Johnson, M.D.

10:00 a.m. Question & Answers

10:15 a.m. Break

10:30 a.m. Missed Breast Cancers Case Conference
           Mary Scott Soo, M.D.

11:00 a.m. Imaging Thyroid Nodules and Masses
           Jenny Hoang, M.D.

11:30 a.m. Temporal Bone
           Christopher Roth, M.D.

12:00 noon Stroke Imaging
           James Provenzale, M.D.

12:30 p.m. Worst Headache of Life
           Peter Kranz, M.D.

1:00 p.m.  Question & Answers

1:15 p.m.  Adjourn

TUESDAY 21

7:30 a.m.  Lung Cancer Screening
           Jared Christensen, M.D.

8:00 a.m.  Acute Aortic Syndromes
           Danielle Seaman, M.D.

8:30 a.m.  Venous Imaging
           Charles Kim, M.D.

9:00 a.m.  Pre-Post Percutaneous Nephrostomy Tubes
           Waleska Pabon-Ramos, M.D.

9:30 a.m.  Vascular Compression Syndromes
           David Sopko, M.D.

10:00 a.m. Question & Answers

10:15 a.m. Break

10:30 a.m. Malrotation and Midgut Volvulus
           Caroline Carrico

Course Description

This postgraduate meeting will be presented by the faculty of the Department of Radiology, Duke University Medical Center and is designed for radiologists whether in training or practice. This course replicates many of the lectures from the renowned Duke Radiology Review Course, which is easily one of the largest and most popular radiology review courses in the world. This course is intended for the private practice radiologist who would like a general radiology overview and the radiology resident who would like an opportunity to hear about general radiology topics. The aim of this course is to offer an across-the-board-overview of material which has everyday application. We invite you to join the faculty of the Duke University Radiology Department for a week of learning and relaxation.

Learning Objectives

Following participation in this activity, participants should be able to:

- Identify and discuss the latest modalities and techniques being used in the field of Diagnostic Radiology.
- Discuss differential diagnoses of common disease processes as they are seen on radiologic images.
- Demonstrate compliance with various governing agencies to sustain accreditation, licensing and board certification requirements.

General Information

Lectures will be held Monday–Friday from 7:30 a.m. to 12:30 at Kingston Plantation on Lake Drive in Myrtle Beach, South Carolina. Onsite registration and check-in will begin at 7:00 a.m. on Monday, July 20, 2015.

Registration Fees

$895 for Radiologists/$795 for Duke Radiology Alumni/$695 for Intraining/Military/Retired/Non-MD on or before July 1, 2015. After July 1 the fees become $975/$875/$775 respectively. A $100 cancellation fee will be charged. Online registration is available at www.radiology.duke.edu

In an effort to be more environmentally conscious, we will distribute syllabus electronically. You are encouraged to bring your laptop or electronic device to follow along. A printed syllabus will only be provided upon request at a cost of $25. Please mark the appropriate box on the registration form.

Special Needs Statement

Americans with Disabilities Act (ADA)

The Duke Department of Radiology is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call and/or submit a description of your needs in writing in order to receive service.

Accreditation

In support of improving patient care, the Duke University Health System Department of Clinical Education & Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.

Credit Designation

Duke University Health System Department of Clinical Education and Professional Development designates this Duke Radiology Beach Course activity for a maximum of 23 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
Faculty Disclosure

Disclosure
The Duke University School of Medicine adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

Resolution of Conflicts of Interest
In accordance with the ACCME Standards for Commercial Support of CME, the Duke University School of Medicine will implement mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.
